

_____ () - _____

While on a e learning about life and death, he or she, film and adaptation die or may not be
concerning how or look on the topic will help or in or case after graduation.

However, finding English each a range of an feasible skill has made English
graduates more employable and sought after in the workplace. However, many
of them go on to get successful careers in a range of industries, including those that
might not immediately associate with English and the Humanities.

□

Occupational Director of the Faculty of English and Applied English
Studies.

The former CEO of the Faculty of English and Applied English
Studies.
